Welcome New and Returning Advisors!

Get ready for another outstanding HOSA year! Last school year was one of amazing growth and achievement and Arizona HOSA is ready to operate on an even higher level! Elaborating on our successes, please extend my personal congratulations if any of your students were one of the 59 top ten finalists from the International Leadership Conference! Your new state officer team is extremely excited to be serving you and your members in the upcoming year in any way possible.

As we get back into gear, please do not hesitate to ask Arizona HOSA or any of its officers for a chapter visit. One of the most important parts of a being a state officer is to inform our chapters of their opportunities and to inspire more leaders. All of your state officers are trained, ready, and willing to provide presentations fit to any needs you may have at your local school. All contact information can be found under the governance tab at azhosa.org. We hope to meet as many members as possible this year so please reach out!

In addition to restarting the year, please make sure you are registered both as a chapter of HOSA and for all of the upcoming events in the next few months. These are events are extremely beneficial in helping a chapter run smoothly and encouraging member engagement so please inform your members and officers to attend and register as soon as possible.
