

# The Chart

February 2017

Hello Advisors!

This year's Arizona Athletic Association (AzATA) meeting with HOSA was absolutely fantastic! Arizona HOSA treasures the connection we have with AzATA and we couldn't be happier with the chapters who participated in the conference. The presentations and demos were fantastic and we hope our members loved them as well. Congratulations to all of our winners and we can't wait to see everyone at SLC!

Within the next few days we are breaking new ground in Arizona HOSA! On February 4th at 2:00 p.m. we will be hosting our first ever webinar! The presentation will focus on SLC and how to succeed in competitions. To watch live, Mrs. Shovlin will be sending links to advisors for our webinar service, Zoom. Simply click the link and tune in to an amazing information session with myself, AzHOSA Region 2 Vice President, Elizabeth Church, and National HOSA President, Elizabeth Carnesi! This is a wonderful chance to give your students a look into SLC and to prepare them for the conference this April! We'll see you on at the webinar!

Arizona HOSA would also like to encourage your students to create accounts on STEM Premier, the provider that HOSA will be partnering with for competitive events, scholarship opportunities and more! STEM premier is akin to LinkedIn for high school students and is an extremely useful tool in finding opportunities not only in HOSA but in organizations across the globe. Accounts are a requirement for certain competitions and take time to create so please check event guidelines to make sure your students are prepared.

As a final reminder, the application for both Arizona HOSA scholarships and state office close at the end of the month. Both of these opportunities have the opportunity to change a student's life and are attainable with hard work and determination. Please encourage your students to apply for these amazing opportunities!

Reminders:

**AzHOSA Scholarship Open – Due February 27th**  
**AzHOSA State Office Application Open - Due February 20<sup>th</sup>**  
**AzHOSA State Pin Design – Due March 1<sup>st</sup>**

Welcome back to the new semester and Happy New Year!

Kyle Kline  
2016 - 2017 Arizona HOSA State President
