

The Chart

January 2017

Hello Advisors!

From all of Arizona HOSA, we hope that your holiday season was one full of happiness and joy! For everything you do for HOSA and your students, the break was much deserved! As we jump into 2017, please make sure that your students are aware of all of the wonderful opportunities the new year presents. Your state officers cannot wait to continue on the HOSA journey this year and we all look forward to seeing you at this year's SLC!

The Arizona HOSA Scholarship officially opens as of January 6th. The National HOSA Scholarship is open through the Stem Premier website. Both the National HOSA and Arizona HOSA scholarships are only open to HOSA members, meaning your students have a wonderful chance to grab some extra funds for college! Remind your membership to give attention to details and specific requirements as they are extremely important in the application process!

If your chapter is not registered for online testing, the deadline is soon approaching! Many competitions have mandated online tests before SLC. To ensure that you can attend and compete, register before the 5th of January. The more your students prepare, the more likely they are to move on to HOSA's biggest conference this summer, the International Leadership Conference in Orlando, Florida! We look forward to seeing all of your members in April at the Westin La Paloma Resort!

In addition, the state office application is open and posted online! If you have any members interesting in running for office, your advice and encouragement could be the catalyst to change a life. Please promote the application process to your chapters and aid any members who are interested in applying. Becoming an officer can alter the path a student takes for the rest of their lives and we encourage qualified students to apply!

Reminders:

Online Testing Deadline - January 5th
AzATA Conference – January 28th Deadline: January
AzHOSA Scholarship Open - January 6th - Closes February 27th
AzHOSA State Office Application Open - January 6th - Closes February 20th

Welcome back to the new semester and Happy New Year!

Kyle Kline
2016 - 2017 Arizona HOSA State President
