

# The Chart

April 2017

Hello Advisors!

As we close out the year, we cannot wait to see you at Arizona HOSA's 2017 Spring Leadership Conference! This year has been full of growth in Arizona HOSA and we cannot wait to recognize all of your efforts this year. Your state officer team could not be more excited to welcome you to the Westin La Paloma in the coming weeks!

We will be making a few changes at SLC this year so please read the following information carefully. The AzHOSA Board was concerned with the issue of entering the ballroom for the closing session. This year, each high school will be assigned to a wave (Wave A, B, C, etc.). This will indicate what time you should enter the awards ballroom. Wave A will be allowed in first, and then all others will follow in alphabetical order. Every year, high schools will be rotated through this system to ensure equity in seating positions and safety in entering the awards session. In order to enter the hall, you **MUST** have all of your members and advisors present to enter as a group. The Board of Directors has decided to try this to assure an orderly and safe entry for the closing session. Thank you for accommodating this new change - if you have any questions, please feel free to contact Arizona HOSA.

With our new travel plan for ILC, please be prepared to stay for a **MANDATORY** meeting immediately following the awards session at SLC. Advisors, this meeting is essential in ensuring that we qualify as many competitors as possible. This meeting is not required for students, just advisors. Please have all required forms with you for those students who plan to attend ILC after qualifying.

To wrap up my final Chart as AzHOSA President, the state officer team and I would like to extend our greatest thanks for an outstanding HOSA year! Your efforts make HOSA into the organization that it is and we could not be more grateful!
