

The Chart

June 2017

Hello Arizona HOSA Advisors!

My name is Elizabeth Church and I will be serving as your 2017-2018 Arizona HOSA President. I am a recent graduate of Paradise Valley High School and will attend the University of Arizona this fall. This year will mark my fifth year as a HOSA member and my second year as an AzHOSA state officer. I am looking forward to working with the new officer team to make this another great year for Arizona HOSA!

I would like to start off this first chart by congratulating all chapters on a job well done at the 2017 Spring Leadership Conference! We had over 2,200 people attend SLC, and 418 of them will be representing Arizona HOSA at the International Leadership Conference in Orlando, Florida later this June. We are beyond proud of the professionalism, enthusiasm, and accomplishments of all of our members. Your state officers wish all of those competing the best of luck, and even though summer has begun, we encourage all members to continue preparing for their competitive events!

As a new HOSA year begins, I encourage you and your chapter's members to become familiar with the newly elected state officer team. All bios and contact information for the 2017-2018 state executive council will soon be accessible under the governance tab at www.azhosa.org. Please feel free to contact us with questions or suggestions. The team has a lot of new ideas for this year and has already begun preparations for ILC!
