

Mission Report: The Synapse

International Leadership Conference

Arizona HOSA- Future Health Professionals | Vol 8 Issue 2

June 23, 2016

Arizona Delegation

Hello Arizona HOSA!
Your Arizona HOSA State Officers hope that you are having a great time here at ILC! We wish every member good luck in their competitions and that they are making every moment memorable.

Fun Fact: The AT&T tower in downtown Nashville is the largest building in Tennessee. It is nicknamed the “Batman Building” due to its resemblance to bat ears.

Weather

Friday is supposed to be 95 degrees with a 20% chance of rain and 58% humidity.

Reminder

- Curfew is at 12! Make sure you are in your hotel, and preferably in your room by that time!
- Also professional dress is required at ALL TIMES while in the convention center.
- Be on leadership time! 15 minutes early is on time, on time is late, and late is left behind!
